Meeting Date 08-10-2017
Council/PH Committee PublicHealth
Agenda Item fire sprinklers *Bill 69*
Your position on the matter Comment
Representing Self
Organization
Do you wish to speak at the hearing? No

Written
Testimony

Just like Congress's plan to replace the Affordable Care Act with tax credits in exchange for higher medical costs, justifying increased costs for senior condo owners makes no sense at all. Most seniors have no income to benefit from tax credits. Many survive only on disability and social security income which are non taxable. They don't need tax credits. They need the city to float bonds to supplement the astronomical costs of installing fire sprinklers.
